

Surprise Surprise

Every year countless aircraft depart from controlled flight. Unfortunately many pilots do not regain control prior to impacting the ground, resulting in serious injuries or death. To learn how to prevent Inadvertent VFR into IMC and how to avoid a related accident, click on the link below and register TODAY.

Directions: The meeting will be held in the Luftladder Hangar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
